PETITIONS AND COMMUNICATIONS.

*To the Common Council:*

The Board of Public Works beg leave to submit the following report of its doings in the matter of bids for sewer tile, for the main sewer. The Board caused notice of the City's wants to be published in the local newspapers and also distributed among well-known producers and dealers in sewer tile; and as a result on the day set for closing such offer, had eight bids of responsible parties, all of which bids are submitted herewith. All of the cars were for the tile free on board of bids at Ann Arbor, subject to inspection by City Inspector. Each bid was accompanied by sample of tile proposed to be delivered. The Board, before deciding on any recommendation caused all of said samples to be thoroughly tested at the mechanical laboratory at the University of Michigan, all of which tests are herewith submitted and made a part of this report.

All things considered, we recommend that the tile of the Ohio Valley Fire Clay Company be purchased and that a contract be made with such company for tile for the main sewer at their bid, being at 80 5-2 discount from list price (eastern list).

We also recommend that the main sewer be constructed by the city under the direction of this Board.

This recommendation is made for the following among other good and sufficient reasons, viz:

First, the money will be distributed among our own working men who are

now in great need of an opportunity to labor.

Second, there is reason to believe that in that manner the work is likely to be more efficiently done.

All of which is respectfully submitted.

By order of of the Board of Public Works. W. J. MILLER, Clerk.

Ald. Martin moved that the communication be accepted, adopted and placed on file. Adopted.

*To the Common Council:*

The Board of Public Works would recommend and ask for the following appropriation of \$100 to grade North State street, west side, between Kingsley street and Fuller street, for the purpose of constructing sidewalks on said street.

By order of the Board of Public Works. W. J. MILLER Clerk.

Referred to Street Committee.

A petition signed by Sam Henne and thirteen other residents and property holders of the City of Ann Arbor, asking that a sidewalk be ordered built on the west side of Vine street, from Liberty street to Sam Henne's property.

Referred to Sidewalk Committee.
