MAYOR'S OFFICE.

Ann Arbor, Mich.,
October 28th, 1895.

To the Honorable Common Council
of the City of Ann Arbor:

Gentlemen:—That portion of the
proceedings of the Common Council
of October 21st, 1895, relative to the
report of the street committee upon
the matter of payment to the city of
twenty-five (\$25.00) dollars for earth
belonging to the city and used George
W. Bullis, I desire to disapprove of
the same, for the following reasons:

1st. That it does not appear that
the amount to be paid was arrived at
from any data furnished from disin-
terested persons.

2nd. As I deem it, sufficient inves-
tigation has not been had in justice
to the city or to Mr. Bullis.

If your honorable body is of the
opinion that it would be better to

compromise the matter, and that it
be settled as a regular, legal business
transaction, then I would suggest
that it be done in a business like man-
ner; that the city engineer be instruc-
ted to carefully estimate the amount
of earth necessary to make the fill to
its present grade and of that portion
lying outside of the legal or custom-
ary line of street filling and to report
to the Common Council the number
or cubic yards therein contained, the
Council then to base their settlement
thereon, allowing no claim of offset
for filling said to have been put there
by other than at the city's expense,
except such as is so conclusively prov-
en. I am sure that there is no desire
on the part of the Council that the
City profit at Mr. Bullis's expense.
We are all in duty bound, so far as
lies in our power, to protect the city's
interest, and we should insist that its
officials do their duty.

Prostitution of office should not be
tolerated.

Warren E. Walker,
Mayor.

The report failed to be passed over
the veto of the Mayor as follows:

Yeas—Ald. Moore, Koch, Brown,
Ferguson, Taylor, Shadford, Coon, Cady,
Pres. Hiscock—9.

Nays—Ald. Maynard, Snyder, Laub-
engayer, Prettyman—4.

The resolution ordering a crosswalk
built on the north side of South Uni-
versity Ave., across Washtenaw Ave.,
I also disapprove, for the reason that
the kind of material to be used in its
construction is not specified.

Warren E. Walker,
Mayor.

The report failed to pass over the
veto of the Mayor as follows:

Yeas—Ald. Koch, Coon—2.

Nays—Ald. Moore, Maynard, Snyder,
Laubengayer, Brown, Ferguson, Tay-
lor, Prettyman, Cady, Pres. Hiscock
—11.
