STREETS.

To the Common Council:

Your Committee on Streets to whom was referred the communication asking for the privilege of laying a pipe from the Electric Light Works to the Hunter pond of Washington street would report that they have given the matter due cotsideration by consulting with those asking for the privilege as well as residents of the locality in which such dam is located. As a result of such investigation your committee recommends that the Council grant the Ann Arbor T-H. Electric Co. the privilege of laying a pipe from their works along the south of Washington street to some point in the race south of the pond, and south of Washington street, the said Electric Company to provide a reservoir constructed of tile two feet in diameter and of sufficient length to give enough head for the use required for such water, entirely independent of the pond no use whatever to be made of the water in the pond as now situated, by the said Electric Company.

Respectfully submitted,

W. L. Taylor,
O. E. Butterfield,
H. G. Prettyman.
