COMMUNICATIONS FROM THE MAYOR.

MAYORS OFFICE.

Ann Arbor Mich., October 21st, 1896.

To the Honorable Common Council of the City of Ann Arbor.

Gentlemen:—I see in the report of your last meeting that you have ordered six plank crosswalks at the following places.

On the east side of E. University Ave., across Washtenaw Ave.

On the west side of Forest Ave., across S. University Ave.

On the west side of 12th street across Hill street.

On the north side of Washington street across Ingalls street.

On the east side of Ingalls street across Washington street.

On the west side of Ingalls street across Washington.

Also two brick crosswalks to be located as follows.

On the north side of Jefferson street across State street.

On the south side of N. University Ave., across State street.

Also a crosswalk on the east side of Division street across Washington to be built of stone slabs.

I would like to see the above work go on and improvements never cease, but unfortunately the condition of our Finances will not warrant the expenditure of any more money this season on our crosswalks than is absolutely necessary and therefore I disapprove the action of your Honorable Body so far as it relates to all of the above work with the single exception of the cross-

walk on the north side of Washington St., across Ingalls which I think almost indispensable as it would form an outlet to a large section of our city.

I would not advise your Honorable Body to order the repair of any tar crosswalks at this season of the year but would advise that you leave it with the Board of Public Works who can take advantage of the weather. Such work can not be properly done in cold, wet weather such as we must expect at this season of the year.

Very Respectfully,  
W. E. Walker,  
Mayor.

The resolution failed of passage over the veto of the Mayor as follows:

Yeas—Ald. Coon.—1.

Nays—Ald. Maynard, Moore, Grossman, Laubengayer, Dell, Shadford, Rhodes, Cady, Danforth—9.

A petition signed by John G. Steeb asking for the privilege of building a barn within the fire limits was read and referred to the Board of Fire Commissioners.

A petition signed by Mrs. C. M. Edmonds asking for the caring for the surface water on W. Huron St., was read and referred to the Street Committee.

REPORTS OF STANDING COMMITTEES.  
FINANCE.

To the Common Council.

Your Committee on Finance respectfully report that they have had the following bills under consideration and would recommend their allowance and that warrants be ordered drawn for the same.

Respectfully submitted,  
C. H. Cady,  
Emmett Coon,  
Committee on Finance.
