COMMUNICATION FROM THE MAYOR.

To the Honorable the Common Council
of the City of Ann Arbor:

Gentlemen: I am obliged to dis-
approve your action in granting Mrs.
Ann Evans a monthly allowance of
five dollars from the city treasury.
This sum was formerly given her but
on recommendation of the Poor Com-
mittee and the Supt. of the Poor the
last Council canceled the allowance.
There is no change in the condition
and no reason why an exception should
be made in her case as her needs can
be provided for in the usual way.

CHAS. E. HISCOCK,

June 23, 1897. Mayor.

Filed June 24th, 1897, at 9:30 a. m.

To the Honorable the Common Council
of the City of Ann Arbor:

Gentlemen: I am compelled to dis-

\$205.00 for completing the curbing on
S. University ave. There has been ex-
pended on the north drive the sum of
\$172.04 and on the south drive \$997.50,
and I feel as though enough of the
city's money had been expended on
this street the present year.

of the City of Ann Arbor:

Gentlemen: I beg to disapprove your
action in accepting the bond of the

out sureties.

It has been the custom on all bonds
given the city to have either corporate

in this case that the rule be complied
with and will require the parties sign-
ing to qualify in the penal sum of the
bond.

Respectfully,

Your Committee on Sewers to whom was referred the report of the City Engineer relative to the construction of a lateral sewer on and along W. Your Committee would recommend that the Board of Public Works be directed to secure proposals for the construction of such lateral sewer.

RESOLUTIONS.

By Ald. Brown.

Whereas, the bridge heretofore constructed over and across the tracks of the Michigan Central Railroad Company along Pontiac street in this city is in need of repairs;

And whereas, a controversy has arisen between this city and the said Michigan Central Railroad Company as to upon which rests the obligation to keep the said bridge, other than the masonry and foundation thereof, in repair; and

Whereas, it is understood that said railroad company is willing to make the said repairs presently needed provided it can do so without prejudice to its claim that the obligation to maintain and keep in repair said bridge, other than the masonry and foundations thereof, rests upon this city and not upon said company, and further provided, that if it should be hereafter judicially determined that said obligation rests upon this city and not upon said company, the said city will repay said company the cost of making the repairs which said company may so make. Now, therefore,

Resolved, that if said railroad company will and does proceed to make said repairs now needed, its acts in that regard shall be without prejudice to its claims as above set forth; that is to say, if said railroad company will and does proceed to make said repairs now needed, no claim will hereafter be made by or on behalf of this city that by reason thereof said company has recognized its liability in the premises or has waived or weakened its right to insist that the obligation to keep and maintain the said bridge, other than the masonry and foundations thereof, in repair, rests upon this city and not upon said company; and in case it should hereafter be judicially determined that it is the duty of the city to maintain and keep said bridge, other than the masonry and foundations thereof, in repair, the city will repay the said Michigan Central Rail-

road Company the cost of making the repairs which it may so make.
