To the Common Council:

Gentlemen—Your special committee appointed with directions to investigate and report whether the rate or charges of the Ann Arbor Water Company for supplying water for domestic purposes are reasonable, beg leave to report that they have met and formulated a plan of procedure which provides for a report to such committee, from the Water Company, of the gross receipts and cost of operating expenses for the year of 1899, and your committee applied to the superintendent and president of such Water Company to be furnished such information, and that the superintendent appear before said committee and produce for examination the books of the said Company, all of which reasonable request of your committee was refused by both the superintendent and president of such company.

Your committee would therefore recommend that the council request that Mr. William G. Doty, Esq., a Justice of the Peace do issue a subpeona commanding and requiring A. Kent Frederick Regnald Spokes. Adams and George Ristine and such other persons as the chairman of your committee may designate, and that A. Kent Hale bring with him and produce before your committee, the books of account of the Ann Arbor Water Com pany which contain the account of and the gross income and the operating expenses of the said Water Co. for the year of 1899.
