Ordinance Committee.

Ald. Fischer presented an ordinance relative to garbage and there being no objections it was given its third reading as follows:

AN ORDINANCE relative to Garbage and Other Unwholesome and Offensive Substances, to Regulate the Collection and Disposal Thereof, and to Prohibit Hogs of Hog-Pens Within the Limits of the City of Ann Arbor.

The Common Council of the City of Ann Arbor Ordain:

Sec. 1. For the purpose of this ordinance the word "garbage" shall be held to include every refuse accumulation of animal, fruit or vegetable matter that attends the preparation, use, cooking, dealing in or storing of meats, fish, fowl, birds, fruit or vegetables; it shall also be held to include swill and kitchen and table refuse of every kind excepting dish water or waste water. The word "rubbish" shall be held to mean paper, rags, pasteboard boxes, berry boxes, sweepings, chips, tin cans and tinware, broken dishes, crockery and glass, leather, rubber and refuse matter of all kinds except ashes, manure and contents of privy vaults, cess-pools, dry wells and sinks.

Sec. 2. No garbage or rubbish shall hereafter be burned on any street, alley, commons, or public place, or upon any premises in open air, within the limits of said city; nor shall any person place such material upon any private property, whether owned by such person or not, unless the same shall be enclosed in proper vessels or receptacles as provided in this ordinance.

Sec. 3. It shall be unlawful for any person or persons to throw or deposit, or to cause to be thrown or deposited, any garbage, rubbish, manure or other excretion, or unwholesome or filthy substances of any kind, upon any street, alley, gutter, sidewalk, or public grounds of said city. Provided, that substances deposited by virtue of building permits are hereby expressly excepted.

Sec. 4. It shall be the duty of every tenant, lessee, or occupant of any dwelling house, boarding house, hotel, restaurant and place of business of every kind having garbage to be disposed of, to provide and at all times to keep within such building, or on the lot on which such building is situated, suitable and sufficient vessel or vessels having capacity not exceeding twenty gallons with bails and handles and with close fitting covers thereto, for receiving and holding, without leakage or odors, all the garbage that may accumulate between the times of the collection thereof as the same shall be fixed by the common council. Such ves-

sels shall be filled only to within four inches of the top, and shall be placed in such places as shall be readily accessible at all times for purpose of removing or emptying the same (upon the line of an alley whenever possible and convenient, and where said vessels shall not be a public nuisance in any respect, or be placed in the limits of any street or alley.

Sec. 5. It shall be the duty of each tenant, occupant or lessee, having garbage to be disposed of, to place in such vessels all garbage accumulating on his or her said premises, between such times of removal thereof as may be established by the common council, and nothing but garbage, as defined in this ordinance, shall be placed in such vessels.

Sec. 6. It shall be the duty of every tenant, lessee or occupant of any dwelling house, boarding house, hotel or business place having rubbish to be disposed of, to provide and at all times to keep within such building or on the lot on which such building is situated, a suitable receptacle or receptacles (separate from the vessels for garbage) in which to deposit all the rubbish which may accumulate upon such premises between the times of the collection thereof as the same shall be fixed by the common council. Said receptacles shall be placed in such places as shall be readily accessible at all times for purpose of removing or emptying the same (upon the line of an alley whenever possible and convenient) and where said receptacle shall not be a public nuisance in any respect or be placed in the limits of any street or alley.

Sec. 7. It shall be the duty of each such tenant, occupant or lessee, having rubbish to be disposed of, to place in such receptacle or receptacles all rubbish accumulating on his or her said premises between such times of removal thereof as may be established by the common council. And nothing but rubbish, as defined in this ordinance, shall be placed in such receptacles.

Sec. 8. The board of health shall be the exclusive judge of the sufficiency of vessels and receptacles for garbage and rubbish provided for by this ordinance.

Sec. 9. All garbage and rubbish de-

posited in said vessels and receptacles shall be removed at the expense of the City of Ann Arbor at such regular intervals as may from time to time be established.

Sec. 10. The board of health shall have the power to establish such rules and regulations not inconsistent with this ordinance governing the collection and disposal of garbage and rubbish as may appear necessary for the preservation of the public health and safety. Such rules and regulations, when made and published, shall become and are hereby made part of this ordinance, and anyone violating such rules and regulations shall be amenable as in this ordinance ordained.

Sec. 11. Said City of Ann Arbor may contract for the removal and disposal of said garbage and rubbish, and in doing so may divide the city into districts, if it appears expedient or desirable to do so, and may enter into separate contracts for each district. The letting of such contract, or contracts, may be referred to the board of public works and in such case it shall be the duty of said board to advertise for bids for collecting and disposing of said garbage and rubbish for such length of time and under such conditions as shall be prescribed by the common council, and in accordance with this ordinance and such rules and regulations as may be adopted by the board of health. Said board of public works shall contract therefor with the lowest responsible bidder, or bidders, who shall enter into such bond or bonds, for the faithful performance of said contract as shall be prescribed by the common council. Provided, That the term of such contract shall not in any case exceed three years.

Sec. 12. It is hereby made the duty of the contractor, or contractors, with the City of Ann Arbor for the collection and removal of garbage and rubbish to collect and remove in accordance with the ordinance and contract of the city all such garbage and rubbish found within city limits. Such contractor, or contractors, shall transport and remove said garbage and rubbish to places outside and at least one mile beyond the city limits. The kind of conveyance to be used in transporting said garbage and rub-

bish may be specifically provided for by contract as the common council shall direct, but shall be such at least as will be suitable for the purpose and to securely convey garbage and rubbish so that no portion thereof shall be spilled out, or dropped or thrown upon any street, or alley or adjacent premises within the city, or anywhere within a mile of the city limits; nor shall the same be kept or stored upon any street or alley, or public place except as in this ordinance provided; wagons or other conveyances used by contractors shall not be left in any street, alley, or other public place, or upon any private premises within the city longer than may be reasonably necessary in order to collect and remove the garbage and rubbish; any such contractor may dispose of the garbage collected as feed for hogs, but only to hogs that are kept at least one mile from the city limits.

Sec. 13. No other person or party except the city contractor, or contractors, shall carry, convey or transport through the streets, alleys or public places of the City of Ann Arbor any garbage or rubbish as herein defined, and it shall be unlawful for any person to interfere in any manner with the collection and disposal of such material by the city contractor, or contractors.

Sec. 14. All manure and other refuse material not properly included by the terms "garbage" and "rubbish," as defined in this ordinance, must be disposed of by the owners or occupants of the premises where the same is accumulated, at the expense of such owners or occupants, by conveying or causing the same to be conveyed beyond the city limits where the same may be disposed of in such manner as will not endanger the public safety or the public health, or create a nuisance. Such manure or other materials in being conveyed over the streets and alleys and other public places in said city must be conveyed in such manner as to prevent any part of the same from being dropped or spilled thereon. Provided, however, that such manure may be used for the fertilizing of lawns or gardens within the city.

Sec. 15. Contents of privy vaults, cess-pools, dry wells and sinks shall

not be removed by any person without first procuring a written permit therefor from the city clerk of said city. Such permit shall be exhibited on demand of any patrolman, or any person for whom said person shall be doing said work. Such permits shall license the holder to remove such materials through the streets and alleys of said city to points outside the city limits where the same shall be disposed of in such manner as shall not endanger the public health and safety, or create a nuisance. Contents of privy vaults, cess-pools, dry wells and sinks shall in all cases be thoroughly deodorized before being stirred up or removed. Every privy vault, cess-pool, dry well or sink from which the contents are removed shall immediately thereafter be thoroughly cleaned and deodorized by such owner or occupant.

Sec. 16. The city clerk shall issue such permits on application. Such permits shall contain the name of the person from whose premises the material mentioned in the preceding section is to be removed and the street and house number, and shall license the holder to remove said material in accordance with the provisions of this ordinance within ten days of the date of issue of such permit.

Sec. 17. The keeping of hogs or maintenance of hog-pens within the city limits is hereby declared to be a public nuisance, and from and after the first day of January, 1906, the same shall be and are hereby absolutely prohibited within the limits of said city. All persons keeping hogs or maintaining hog-pens within the limits of said city after said date shall be amenable to the penalty provided for violation of this ordinance as hereinafter set forth.

Sec. 18. The collection and removal of garbage and rubbish and the disposal of other material and substances provided for by this ordinance shall be under the supervision of the board of health. And it is hereby declared to be the duty of the board of health and police department, through their proper officials and agents to enforce the provisions of this ordinance.

Sec. 19. Any person guilty of any of the acts forbidden by this ordi-

nance, or throwing poisonous substances or broken glass into garbage, or failing to perform any of the duties imposed herein, or who shall violate any of the provisions of this ordinance or the rules of the board of health in reference to the same, shall, upon conviction, be fined in such sum as the court may determine, not exceeding one hundred dollars; and in case of default in the payment of such fine the court may make a further sentence that the offender be imprisoned in the county jail of Washtenaw county, or any jail or lockup of said city, until such fine and costs are paid. Provided, such imprisonment shall not exceed thirty days.

Sec. 20. All ordinances and parts of ordinances in conflict with this ordinance are hereby repealed.

This ordinance shall be in force and effect from and after its passage and publication, except as to Section Seventeen, which shall take effect as provided in said section.

Sewer Committee.

Ann Arbor, Mich.

To the Common Council:

Gentlemen:—Your committee on sewers, to whom was referred the estimate and report of the city engineer relative to the construction of the lateral sewer in Sewer District No. 15, beg leave to report that they have had such estimate and report as well as the resolution of the common council under consideration and have made due inquiries relating thereto, and that we have heard all persons desiring to be heard in the premises, and your committee is of the opinion that there is necessity for the construction of such lateral sewer, and that a special taxing or assessment district ought to be fixed by the common council upon and against which the cost of the construction of such sewer may be charged, street crossings excepted, pursuant to the ordinance in such case made and provided.

Your committee beg to submit herewith for consideration a resolution fixing the boundaries of such special assessment districts.

All of which is respectfully submitted, and your committee begs to be discharged from the further consideration of the subject.

L. KURTZ,
C. SCHLENKER,
RICHARD KEARNS,

On motion of Ald. Fischer report was accepted and adopted by unanimous vote and following resolution offered:

Ann Arbor, Mich., Sept. 18, 1905.
By Ald. Schlenker:

Resolved, That this common council still deeming it expedient to cause to be constructed a lateral sewer in Lateral Sewer District No. 15, the construction of the same is hereby ordered.

Resolved further, That each and all of the lands, tenements, and premises hereinafter mentioned are deemed and declared to be benefited by the construction of such lateral sewer to the extent of the cost thereof, street

crossings excepted, and all such lands shall constitute and all of the said lands hereinafter mentioned is fixed (and determined as the district and special assessment district) upon and against which shall be assessed and charged all of the cost and expense of construction of such lateral sewer, that is to say:

All of that part of the City of Ann Arbor and all of the lands, tenements and premises situated in the City of Ann Arbor, State of Michigan, known, bounded and described as follows, to-wit: Beginning on the south line of Baldwin avenue, 167.0 feet south of southeast corner of Baldwin avenue and Israel avenue; thence parallel to Israel avenue 288.48 feet; thence south parallel to Baldwin avenue 350 feet; thence east to the east line of Ferdon road at a point 318.85 feet southerly from the intersection of the south line of Washtenaw avenue and the east line of Ferdon road; thence easterly at right angles to the east boundary line of Ferdon road, to the easterly boundary of Ferdon addition to the City of Ann Arbor; thence along easterly line of said addition to Washtenaw avenue; thence easterly to the northeast boundary of Washtenaw avenue at a point 177 feet southeasterly from the intersection of the south line of Vinewood boulevard and the east line of Washtenaw avenue; thence northeasterly to the southwest corner of lot 19, College Hill; thence easterly along the south boundary of lots 19, 20, 21, 22, 23, College Hill, except the south end of lot 21 belonging to R. Scott; thence northerly to the northeast corner of lot 82, College Hill; thence westerly along the north line of lots 82, 83, and 84 to the northwest corner of lot 84; thence westerly parallel to Vinewood boulevard and 150 feet therefrom to the southeasterly line of New Jersey avenue; thence along the said easterly line of New Jersey avenue to Washtenaw avenue; thence westerly to the intersection of the southwesterly line of Washtenaw avenue and northern line of Israel avenue; thence northwesterly along the southwesterly line of Washtenaw avenue to a point 150 feet north of the northerly line of Israel avenue, measured at right angles thereto; thence westerly

parallel to Israel avenue to the west line of Baldwin avenue; thence south to point of beginning.

Resolved further, That this order and determination and resolution be and the same is hereby certified to the board of public works and the city assessor respectfully. The board of public works to advertise for bids on construction of same.

Adopted as follows:

Yeas—Ald. Blair, Schlenker, Kearns, Markey, St. James, Sherk, Manwaring, Coon, Goodyear, Fischer, Pres. Gilmore—11.

Nays—None.

Street Committee.

To the Honorable the Common Council:

Gentlemen:—Your committee on streets respectfully report that they have had the following matters under careful consideration, and recommend that Ferdon road be accepted by the city. That the street commissioner be instructed to cut down Vinewood boulevard just east of Washtenaw avenue, so that water will not run in on north side private property. That Packard street be repaired with gravel from Madison street to the city limits. We further recommend that the board of public works be instructed to cut down Ann street about eighteen inches, just west of Mr. O'Mara's property and pave gutters; also clean rubbish and stone out of public alley off Fuller street, between Elizabeth and Detroit streets.

We further recommend that about 150 feet of tile be laid in gutter on west side of Glen avenue in front of No. 511 and adjoining property. And that the embankment in front of Mrs. Kearn's property, No. 504 Fuller street be sodded. We also recommend that brick crosswalks be laid on the east side of Glen avenue across Catherine street on the north side of Fuller street across Elizabeth street and on Beakes street across Summit street.

J. W. MARKEY,
GEO. H. FISCHER,
EMMET COON,
RICHARD KEARNS,
Committee.

By Ald. Sherk:

Resolved, That the report and recommendations of the street committee, including deed to city of land

known as Ferdon road, be accepted and concurred in.

Adopted as follows:

Yeas—Ald. Blair, Schlenker, Kearns, Markey, St. James, Sherk, Manwaring, Coon, Goodyear, Fischer, Pres. Gilmore—11.

Nays—None.

Sewer Committee.

To the Honorable the Common Council:

Gentlemen:—Your committee on sewers to whom the following matters were referred respectfully report that in the matter of petition of board of education relative to taking care of water on Washington street near new high school building, we recommend that a storm sewer be constructed along the north side of Washington street from east line of Fifth avenue to east line of Ingalls street. The engineer has prepared an estimate of cost and this should be taken care of at once.

As to extension of sewer on Volland street, we are not prepared to recommend same at this time. As to the petition of C. E. Rhead, et al, his committee feels as though they had no authority in the matter.

following resolution offered:

By Ald. Coon:

Resolved, That the matter of storm sewer on East Washington street from Fifth avenue to Ingalls street be referred to the board of public works, they to receive the engineer's estimate and advertise for bids.

Adopted as follows:

Yeas—Ald. Blair, Schlenker, Kearns, Markey, St. James, Sherk, Manwaring, Coon, Goodyear, Fischer, Pres. Gilmore—11.

Nays—None.

License Committee.

Application for saloon license of Lyman C. Stark and Chas. F. Klais were presented, approved by the license committee and accepted by following vote:

J. W. MARKEY,
RICHARD KEARNS,
C. SCHLENKER,
Committee.

Received, ordered placed on file and
Yeas—Ald. Blair, Schlenker, Kearns, Markey, St. James, Sherk, Manwaring, Coon, Goodyear, Fischer, Pres. Gilmore—11.

Nays—None.

Bond Committee.

MISCELLANEOUS BUSINESS.

The petition of Gottlob Luick, et al, relative to paving William street between State and Ashley streets received and referred to the street committee.

Mr. Thomas C. Trueblood in behalf of the Ann Arbor Golf club introduced a proposition for a road or street

from State to Main streets, adjoining the club's property. The matter was referred to the city attorney, city engineer and street committee.

Ald. Manwaring moved that the council adjourn to meet Monday, September 25, 1905, at 7:30 o'clock p. m. Supported and carried unanimously.

ROSS GRANGER, Clerk.
