Dear Sir:— Please issue call for a council meeting at 7:30 o'clock this evening, to hear the report of the California Relief fund committee; also reports of any other committees, likewise to take action in reference to a pavement on William street, the car track on said street and the election to be held June 12th, 1906.

F. M. HAMILTON, Mayor.

Received and ordered on file.

Report of California Relief Committee
Ann Arbor, Mich., May 24, 1906.

Honorable Common Council:

Gentlemen—Your committee, to whom, on the twentieth of April, you assigned the duty of forwarding all money collected here for the California relief fund, would report that there have come into our hands the following contributions, viz.:

From the people of this city..	\$1697.30
From Chelsea	123.05
From Saline	82.00
From Milan	80.00
From Whitmore Lake	25.00

Total\$2007.35

On the 23d of April we sent one thousand dollars to Dr. Edward Devine, special representative of the American Red Cross at San Francisco, the acknowledgement of the receipt of which came a few days ago, with most hearty thanks for the substantial expression of sympathy.

Today we forwarded the remaining one thousand seven dollars and thirty-five cents to the same official, with the request that it be used wherever it will do the most good in that afflicted state.

Through the advice of the city attorney and by reason of the very

prompt and generous response of our people to the call for aid, it was thought best not to issue a warrant on the contingent fund of the city for the thousand dollars which you so willingly authorized.

Most respectfully submitted,
F. M. HAMILTON,
E. S. GILMORE,
Committee.

Received, accepted and committee discharged.
