Communication from the chief of fire department.

To the Honorable the Common Council:

Gentlemen—I, as chief of the fire department of this city, recommend that your honorable body take some action relative to the teams and delivery wagons which block State street in front of the stores. Said teams and delivery wagons at nearly all hours of the day block the said street in such a manner that it makes it nearly impossible for any team and especially the fire teams, when answering a call, to safely pass, and many accidents have been escaped only by the most careful driving.

Signed C. A. Edwards,

Chief of Fire Department.

By Ald. Markey—

Resolved, That the matter of teams and delivery wagons blocking State street in front of the stores on said street be referred to the chief of police, he to see that said street is left open so that two teams can safely pass each other.

Adopted as follows:

Yeas—Ald. Gill, Schneider, Miller, Sweet, St. James, Markey, Manwaring, Abbott, Fischer, Pres. Gilmore—10.

Nays—none.
