MAYOR'S COMMUNICATION.

To the Honorable the Common Council:

Gentlemen: I am returning to your honorable body so much of your proceedings of your last regular meeting as is included in the resolution relative to payment of \$300.00 out of the contingent fund to Lambert Dresselhouse as part payment of the city's portion of the cost of the Wall street and Broadway sewer. It was fully understood at the time the resolution was passed authorizing the building of this sewer that no money should be paid on it by the city until next August, unless the city's financial condition would permit.

By referring to the clerk's report of the condition of finances October 31st, 1907, you will readily see that we are in no condition to make payment of any part of this work at this time.

Respectfully yours,
JAMES C. HENDERSON,

Mayor.

Moved by Ald. Fischer communication be received and placed on file. Adopted by unanimous vote of those present.
