Mr. Wirt Cornwell, Ann Arbor, Mich. Dear Sir:—Complying with request made by telephone this morning, we are submitting herewith a petition to the Council, and which contains not only the original petition as presented, but also the agreements which we reached last night at the meeting of the Special Committee.

I thought it would be well to start in at the beginning to reiterate criginal petition and then to what the present status of the matter is by means of adding the agreements which we reached with your Special Committee. This will show in lefinite form ust what the committee has accomplished. It has made it necessary for me to address this petition to the Mayor and Common Council, as was originally done.

I sincerely trust that everything will be found in order and to your satis-

faction.

· Yours very truly,

N. C. KINGSBURY, President.
Detroit, Mich., March 4th, 1909.
To the Honorable Mayor and Common Council of the City of Ann Arbor, Ann Arbor, Michigan:

Gentlemen:—At the request of Mr. Wirt Conwell, chairman of the Special Committee, to which was referred our original petition, dated January of h. 1969, we are submitting herewith a new petition which embodies the changes suggested by your committee and the concessions which have been requested by your committee of this company, and which concessions are herely granted by this company.

Following the general form of our previous communication of January 19th, 1909, we herely request permission of your honorable body to set poles for the purpose of extending our aerial lines or telephone wires in the following streets and alleys of

your city, to-wit:

On the north side of Moore street Interest Broadway and Pontine Streets; on the south side of Broadway from Depot street to Wall street; on the south side of Depot street from N. Main street to N. Fourth avenue; on the east side of N. Fourth avenue from Depot street to Catherine street; in the alley between N. Fourth avenue and N. Main street, from Catherine street to Kingsley street; on the south side of Detroit street from Kingsley street north, three poles; on the north side of N. Ashley street from Ann street to Catherine street; on the west side of Spring street from M.ller avenue, north, four poles; on the west side of Spring street from Felch street north four poles; on the south side of Hiscock street from Spring street to Fountain street: on the east side of Founta n street from Miller avenue north three poles; on the west side of Miner street from Felch street to 400 ft. norfth of W. Summit street; on the south side of Felch street from Gott street to Miner street; on the east side of M ner street from Felch street to Pearl street; on the south side of Kingsley street Ingalls from N. State street to N. street; on the south sile of Lawrence street from N. State street to N. In-

galls street; on the north of Catherine street from N. Thayer street east two poles; on the north side of Ann street from Thirteenth street east six poles; on the south side of Huron street from N. Ingalls street to Observatory street; on the south side of Ann street from N. State street to N. Thayer street; on the south side of Huron street from N. State street to N. Thayer street; on the north side of W. Huron street from Chapin street to Ninth street; on the north side of Liberty street from Seventh street to city limits; on the east side of S xth street from W. Jefferson_street, south 400 feet; on the south side of W. Jefferson street from Fifth street to Sixth street; on the east side ofstreet from Jefferson street south 600 feed; on the east side of Fourth street, from W. Jefferson street to Madison street; on the east side of Third street from W. Jefferson street south three poles; on the west side of Second street from William street to Madi-son street; on the south side of Malison street from S. Ashley street Fourth street; on the east side of S. Main street from Madiscn street to Philips street; on the west side of S. Fifth avenue from Madison street north three poles; on the north side of Monroe street, from and street to S. State Packstreet: in the alley north of Ben amin street west of Packard street one pole; in the alley south of Ben amin street, west of South State street one pole; on the south side of Arbor street from Packard street to Jakland avenue; on the northeast side Packard of street from Arch street to city limits; on the south side of Dewey avenue from Packard street west six poles; on the nor heast side of Washtenaw avenue from Geddes avenue to Israel avenue; on the north side of S. University avenue from Washtenaw avenue to Forest avenue; on the east side of Forest avenue from S. University avenue south two poles; on the east side of Forest avenue from Hill street north four poles; on the west side of Forest avenue from Hill street south to the alley south of Hill street; in the alley east of Olivia avenue from the alley south of Hill street south to end of alley; on the south side of Mrytle street from Oxford street east four poles; on the north side of Vinewood boulevard from Washtenaw avenue east ten poles; on the south side of E. University avenue from Packard street northeast three poles; south side of Moselly street from S. Main street to First street; on the north side of Wells street from Forest avenue southwest three poles; on the east side of Olivia avenue from Hill street to alley south of Hill street.

In addition to the above it is desired to set poles in several locations to shorten spans in present pole leads and to replace efective poles. As these are all in ϵ xisting pole lines, they have not been enumerated in the above list

of poles in new locations.

On account of the above permission being grantel, this company herely agrees to furnish 25 free telephones to the city of Ann Arbor, such free telephones to be located as may le directed by the common council. All over and above the 25 free telephones are to be paid for by the city at the standard rates prevailing in the city.

We have also agreed with your special committee to place our plant underground instead of upon poles, as was originally contemplated in this petition, on Washtenaw avenue from Geddes avenue to Israel, it being understood that we are to use only such poles as are necessary for proper distribution along this street.

We have further agreed with committee to place our line on Monroe street unlerground from Packard st eet to Sate street, and to use only such poles that may be necessary for

proper distribution.

We have also agreed with your committee that on W. Huron street we will endeavor to secure permission from the Washtenaw Electric Light company c place our wires on the poles of that company, said permission to le sought for ly our Mr. Boyce in company with the chairman of your special committee, Mr. Wirt Cornwell It is, however, understood that in case it is impossible to secure such permission from the Electric Light company, then we are to erect poles on West Huron street, and to use ca le distri ution on those poles.

We believe this covers the points discussed and agreed upon with your committee, and we wish to commend the committee for its courtesy in this discussion. Trusting anat the amended pretition will now be satisfactory and receive favorable consideration from your honorable body, we are,

Very respectfully.

N. C. KINGSBURY, President.
