Sewer Committee.

To the Honorable the Common Council: Gentlemen—Your committee

42 and 43, beg leave to report that we have had such estimate and report, as well as the resolution of the Council, under consideration; and have made due inquiries relating thereto, and have heard all persons desiring to be heard in the premises, and your committee is of the opinion that there is necessity for the construction of such lateral sewers, and that special taxing or assessment districts ought to be fixed by the Common Council upon and against which the construction of such sewers may be charged, street crossings excepted, pursuant to the ordinance in such case made and provided.

Your committee further recommends that resolutions fixing boundaries of said districts be pared by the City Engineer, and the Board of Public Works ordered to advertise for bids for the construction of above named sewers.

I. L. Sherk, C. J. Sweet, Wm. H. Murray, Geo. Lutz, Wm. Goodyear, Sewer Committee.

(Enter Ald. Flynn.)

Ald. Sherk moved the adoption of the report. Adopted as follows: Yeas, Ald. Hochrein, Murray Sweet, Flynn, Pipp, Manwaring, Sherk, Blaich, Pipp, Manwaring, Sherk, Blaich, Goodyear, Lutz, Pres. Mills, 11. Nays, none.

By Ald. Sweet: Resolved, that this Council, still deeming it a necessary public improvement, and expedient to cause to be constructed lateral sewers in lateral sewer districts No. 42 (on N. Main st. from Summit st. to the Ann Arbor railroad crossing) and No. 43 (on Fourth av. between Summit and Beakes sts.) the construction of the same is hereby ordered.

Resolved, further, that the City Engineer furnish proper boundaries by the next regular meeting of the Council and that this order and determination be certified to the City Assessor and the Board of Public Works, and the Board of Public Works advertise for bids for the construction of said sewers, city to furnish man to cement joints and see that sewer pipe is properly laid.

Adopted as follows: Yeas, Hochrein, Murray, Sweet, Flynn, Pipp, Manwaring, Sherk, Blaich, Goodyear, Lutz, Pres. Mills, 11. Nays, none.

Lighting Committee.

To the Honorable the Common Gentlemen-Your Lighting Council: committee recommends the placing of an electric arc light on corner of S. on sewers, to whom was referred the Division and Jefferson sts. in place of estimate and report of the City En- Tungsten light, in middle of block gineer, relative to the construction of on Division st. between Jefferson and lateral sewers in Sewer Districts Nos. Packard sts., and also on corner of Jefferson and S. Division sts.; and one of said Tungsten lights be placed on the corner of Moore and Traver sts., and Tungsten light on southeast corner of Cedar Bend av. and Broadway.

Ald. Sweet moved the adoption of the report. Adopted as follows: Yeas, Ald. Hochrein, Murray, Sweet, Flynn, Pipp, Manwaring, Sherk, Blaich, Goodyear, Lutz, Pres. Mills, 11. Nays, none.

Street Committee.

To the Hon. the Common Council of Ann Arbor.—Your street committee, to whom was referred the request of people on Pontiac and other streets that Pontiac street be graded from Cedar to Swift streets, respectfully report that we have examined the mat-ter carefully, and in our opinion the traffic is not sufficient to warrant gradng said street to full width and besides to do so would necessitate moving the old engine house which stands in the middle of said street. But the people on Pontiac and other streets in that direction are very desirous of having a sidewalk graded in said street from Cedar st. to Swift st., and your committee believe they are entitled to that, and that a sidewalk eight feet wide along the westerly side of said street from Cedar st. to Swift st. should be graded, and that the Engineer should at once establish and stake out the grade for such walk.

We further report that Wm. Grennan, sr., offered to your committee, when we were on the ground, to grade such walk without expense to the city, provided he could have the dirt and gravel which it would be necessary to remove in such grading to be used in filling a hole on his land addining

We therefore recommend that the offer of said Grennan be accepted provided that such work shall be done under the supervision of the City Engineer and be done under a written contract to be drawn by the City Attorney, and to be finshed not later than the first day of July next.

We further recommend that should said Grennan not enter into such contract and do such work that the same be done by the Street commissioner, he to use the dirt and gravel where

needed.

E. B. Manwaring, Henry G. Pipp, Henry Hochrein, Geo. Blaich, Street Committee.

Ald. Manwaring moved the adoption of the report. Adopted as follows: Yeas, Ald. Hochrein, Murray, Sweet, Flynn, Pipp, Manwaring,
