Special Order.

The time for special order having arrived, the following report presented at last meeting was read:

To the Honorable, the Common Council, City of Ann Arbor, Gentlemen: We, your lighting committee, have had under consideration the request from the Detroit Edison Company for an increase in the rate of charge now made by that company to all consumers, and have given the same our most careful consideration, and in view of the fact that the increase in operation expenses have greatly increased from the time at which the present rate was established, we

feel that the request made by the company is a reasonable one, and we therefore feel that this council should grant the request made by said company in its communication of June 5th, 1920. Respectfully submitted, Chris T. Donnelly, R. E. Reichert, Lighting Committee.

Pres. Lewis called Ald. Lutz to preside and asked to be excused from voting.
