### Report of City Engineer on Petitions For Gasoline Filling Stations

To the Honorable Common Council Ann Arbor, Michigan.

Gentlemen.

In re the petition of the Sinclair Refining Co. for permission to erect a gasoline filling station at the northeast corner of Main and Packard streets, on the so called Dobson property and at the south point of Packard and State streets known as the Mullson property.

In regard to the property at the northeast corner of S. Main street and Packard street I wish to make the following report. I have made a canvass of the district and find that there are 13 places of business and 25 residences in the district. The ordinance reads that the consent of the property owners is not necessary if less than 75 per cent of the buildings in the district are exclusively residence or educational buildings. I have counted the Community House as a business place. There is a total of 38 buildings in the district; 75 per cent of 38 is 28 1/2, it would therefore be necessary that at least 28 of the buildings in the district be residences or educational buildings in order to make it a residence district and according to my count there are only 25. I am giving this detailed account in order that your Honorable Body may have all the facts before issuing or refusing a permit.

In regard to the property at the southwest corner of State-st. and Packard st., known as the Mullison property, I beg leave to make the following report: I find that in this district there are 49 residences and 13 business properties and 3 properties on which there are both business and residences. This makes a total of 65 properties. In as much as the ordinance states that the district in order to be a residence district must contain at least 75 per cent of residence properties, the properties to

be used exclusively for residence or educational purposes there would be 49 residences and 16 business properties, making a total of 65 properties, 75 per cent of which is 48 3/4 properties necessary to make a residence district. There being 49 residences the district comes under the head of a residence district.

I have tried to count each building as one property. In cases where there were more than one business property in the same building I have counted it as one business property, also I did not count as separate business properties business places on the second floor of buildings.

Respectfully submitted,  
GEO. H. SANDENBURGH,  
City Engineer.

Moved by Ald. Lutz, that request of Sinclair Refining Company for permit to locate an oil filling station at corner of Packard and State sts. be denied.

Adopted by the following vote: Yeas, Ald. Johnson, Haarer, Graf, Lucas, Groves, Markey, Moore, Spathelf, White, Freeman, Lutz, Norris, Pres. Sugden, 13. Nays, none.

Remainder of report referred to City Engineer and City Attorney.

All money collected or received by the Chief of Police, for fines, fees or for any services performed by him in any official capacity, unless otherwise directed by this act, shall be paid into the city treasury during the same month when received, and the treasurer's receipt therefor shall be filed with the City Clerk.

Section 63. The Chief of Police shall not leave the city without the consent of the Board of Police Commissioners, except in pursuit of fugitives from justice or for the arrest of persons charged with a violation of the city ordinances. In the absence of the Chief of Police or his inability to serve, the Board of Police Commissioners may designate any policeman or officer to perform his duties.

Section 83. The Chief of Police or any policeman or other police officer appointed to office by the Board of Police Commissioners, may be suspended or removed by the said Board of Police Commissioners. Any person so suspended or removed shall have the right to a hearing before the said Board of Police Commissioners at a regular meeting of said board, provided that application therefor shall be made within ten days after said suspension or removal by the person so suspended or removed; and

the said Board of Police Commissioners shall present to the Common Council at its next regular meeting, reasons for the suspension or removal, in writing, which shall become a part of the records of such meeting.

Section 88. Paragraph thereunder entitled "First."

Section 88. The Common Council, in addition to the powers and duties specially conferred upon them by this act, shall have the management and control of the finances, rights, interests, buildings and all property, real and personal, belonging to the city, and make such orders and by-laws relating to the same as they shall deem proper and necessary; and, further, they shall have power, within said city, to enact, make, continue, modify, establish, amend and repeal such ordinances, by-laws and regulations as they may deem desirable, within said city, for the following purposes:

Section 108. The Board of Police Commissioners may make and establish rules for the regulation and government of the police, pre-

scribing and defining the powers and duties of policemen and employes, and shall prescribe and enforce such police regulations as will most effectually preserve the peace and order of the city, preserve the inhabitants from personal violence, and protect public and private property from destruction by fire and unlawful depredation. And the Board of Police Commissioners may, whenever it shall deem it necessary for the preservation of peace and good order in the city, appoint and place on duty such number of temporary policemen as in its judgment the emergencies of the case may require; but such appointments unless made in accordance with some ordinance or resolution of the Common Council, shall not continue longer than five days.

Section 109. The Chief of Police, under the direction of the Board of Police Commissioners, shall have the superintendence and direction of the policemen and employes, subject to such regulations as may be prescribed by the Board of Police Commissioners.

without process any person in the act of violating any ordinance of the city, or in the commission of any offense against the laws of the state.
