COUNCIL CHAMBER,
Ann Arbor, Mich., Aug. 31, 1891. }

Special Meeting.

Council met and was called to order by the president.

Roll called; a quorum present.

Absent, Aids. Herz, Ferguson and Taylor.

The call for the special meeting was read and the following business transacted:

To the Common Council,

Your committee on streets to whom was referred the matter of change of grade on east Catharine and Clark sts. recommended by the Board of Public Works, respectfully report that they have had the subject matter under consideration, and in a body have visited the locality and fully inspected the same and would respectfully recommend that the grade of said streets be changed and established according to the survey and statement thereof contained in the report of Prof. J. B. Davis, a copy of which is hereto attached and made a part of this report, a resolution providing for such change and fixing of the same has been prepared, and is ready for submission.

All of which is respectfully submitted, and your committee beg to be discharged from the further consideration of the subject.

LOUIS P. HALL,
CHRIST. MARTIN,
A. H. FILLMORE,
E. G. MANN.

Street Committee.

By Ald. Martin, that the report of the street committee on fixing grade on Catharine and Clark sts. be accepted and adopted, which motion prevailed by a yea and nay vote as follows:

Yeas—Aids. Mann, Wines, Martin, Allmendinger, Fillmore, O'Hearn, Rehburg, Hall, Kitson and Pres. Cooley—10.

Nays—None.

By Ald. O'Hearn, Whereas, In the opinion of the common council the

grade of east Catharine st., between Observatory and 13th or Pitcher st. and of Clark st. between Catharine and Ann sts. ought to be changed and fixed and established to the end; that the new hospital building may become accessible with safety and convenience, and the Board of Public Works, having advised the same.

Therefore, Resolved, and it is hereby ordered that the grade of east Catharinē st., between Observatory and 13th or Pitcher sts., and of Clark st., between Catharine and Ann sts., be changed from their present grade, and fixed and established, so that the grade of said streets, at and between the points aforesaid shall be as follows; that is to say, the elevations given, being above the official City Datum, viz:—Catharine street,

ELEVATIONS IN FEET:

- 856—10-100 ft. at the intersection of E. Catharine and Observatory streets, eight hundred and fifty-six and ten one hundredth.
- 861—10-100 feet at a point on Catherine street, two hundred feet west of last place.
- 876—10-100 feet at a point on Catherine street' four hundred and fifty feet west of first place.
- 876—10-100 feet at a point on Catherine street: six hundred feet west of first place.
- 871— 0-100 feet at a point on Catherine street, nine hundred feet west of first place.
- 841—10-100 feet at a point on Catherine street, about twelve hundred twenty feet west of first place, or at the intersection of Catherine and 13th or Pitcher streets.

ELEVATIONS ON CLARK STREET:

- 876—10-100 feet at the intersection of Clark and Catherine streets.
- 881—10-100 feet at the intersection of Clark and Ann streets.

The said elevations being on and along the center line of said streets, and the grade line to consist of straight lines between the several points stated.

Which resolution prevailed by a yea and nay vote as follows:

Yeas—Aids. Mann, Wines, Martin, Allmendinger, Fillmore, O'Hearn, Rehburg, Hall, Kitson, and Pres. Cooley—10.
