REPORTS OF SPECIAL COMMITTEES.

To the Common Council:

The undersigned members of the Board of Election Commissioners of the city of Ann Arbor beg leave to report as follows:

The board organized by electing Louis P. Hall, chairman, and W. J. Miller, secretary. An examination and count of the official ballots before they were delivered to the inspectors of election and after they were returned to the city clerk shows that there

were delivered the various wards 5,090 ballots, which were accounted for as follows:

Number of ballots delivered, 1st ward	1,210
" returned, spoiled	8
" returned	824
Number of votes cast as per poll list	377
Total	1,210
Number of ballots delivered, 2d ward	970
" returned	623
" returned, spoiled	3
Number of votes cast as per poll list	339
Total	970
Number of ballots delivered, 3d ward	960
" returned	632
" returned, spoiled	6
Number of votes cast as per poll list	320
Total	958
Number of ballots delivered, 4th ward	840
" return d	565
" returned, spoiled	14
Number of votes cast as per poll list	261
Total	840
Number of ballots delivered, 5th ward	5
" returned	355
" returned, spoiled	157
Number of votes cast as per poll list	8
Total	520
Number of ballots delivered, 6th ward	590
" returned	343
" returned, spoiled	7
Number of votes cast as per poll list	240
Total	590

We find that everything connected with the election so far as came within our observation was done according to law, the seals all intact and the ballots returned properly with the exception that seventeen ballots were returned from the second ward with the unused ballots, which ballots were evidently thrown out as defective and not counted and which should have been put in ballot box, and that there are two (2) ballots in the third ward not accounted for.

Respectfully submitted,

LOUIS P. HALL,
W. J. MILLER,
S. W. BEAKES,
C. FRANK O'HEARN,
Board of Election
Commissioners.

Ald. O'Hearn moved that the report be received, adopted and placed on file, which motion prevailed.
