REPORT OF COMMITTEES.

To the Common Council:-

Your committee on licenses to whom was referred the petition of eleven dray-men of the city, asking that the dray licenses be raised to \$10 on single and double drays.

Your committee have had the subject under consideration and find that in the year 1889 the council was petitioned to have the license fixed at \$3 and \$5 and the ordinance was so amended and in 1891 the council was asked to have the license reduced and the ordinance was amended so as to reduce the license, which ordinance is now in force.

Your committee is therefore unanimously of the opinion that there is no good reason why the ordinance should again at this time be amended, therefore recommend that the petition be denied.

Respectfully submitted,
ARTHUR J. KITSON,
FRANK WOOD,

License Committee.

Accepted and recommendation concurred in.
