COMMUNICATIONS.

FROM THE CITY ATTORNEY.

ANN ARBOR, MICH., Aug. 6, 1894.

To the Honorable the Common Council of the City of Ann Arbor:

Gentlemen—I hereby respectfully tender my resignation as City Attorney. The attention demanded by other duties that I have assumed renders it necessary that I resign the office that I hold under the city government. Thanking you one and all for the uniform kindness and courtesy that has been extended me, and requesting the immediate acceptance of my resignation. I remain,

Very truly, T. A. BOGLE.

Received and filed.

To the Common Council City of Ann Arbor, Mich.

Gentlemen:—I have been informed that a sidewalk is ordered to be built on the south side of Hill St., between Tappan and Thayer Sts., in front of lots 1 and 24 in Tappan Park. As the agent of the owner of this land I request you to cancel this order, on the ground that this walk is not needed, as may be readily seen by going upon the ground.

I expect to build a walk on Tappan St., in front of lots 1 2 and 3, in Tappan Park, where no walk is ordered, but needed to accommodate travel, and to bring said walk round on to Hill St., to meet a cross walk on the east side of Ingalls St.

Respectfully,
J. B. DAVIS,
Agent.

Ald. Manly moved that the Street Commissioner cause said walks to be built as ordered by this Council.

Adopted.

FROM THE BOARD OF PUBLIC WORKS.

To the Common Council:

Gentlemen,—The Board of Public Works, to whom was referred the matter of surface drainage on East University avenue, would report that the Board caused the City Engineer to make profiles of street center and gutters on parts of Church and Willard streets and East University avenue, which profiles and report of the estimated cost, for grading said street.
