Special session.

Called to order by President Wines.
Roll called.

Present—Ald. Bodmer, Martin, Allmendinger, Wood, Snyder, Brown, Manly, Kitson, Pres. Wines—10.

Absent—Ald. Wagner, Ferguson, Prettyman and Taylor—4.

Following was read:

ANN ARBOR, July 26th, 1894.

W. J. Miller, City Clerk.

Please call a special meeting of the Common Council, for Monday evening, July 30, 1894, at 8 o'clock, to receive report of the sewer Committee, to consider the same and take action thereon.

L. D. WINES,

President of the Common Council.

Chairman Kitson, of the Committee on Sewers, made a verbal report, stating that the Committee on Sewers had duly considered the specifications and a form of proposal, for the construction of lateral sewers, as submitted by the City Engineer, and recommend that they be read and adopted by this Council.

On motion of Ald. Manly, the specifications were read by sections and approved of by sections.

City Engineer Key then proceeded to read the specifications, and read to and including Section 52, and then on motion of Ald. Kitson, the council agreed to meet in an adjourned session Thursday evening, August 2nd.

On motion, the Council adjourned.

W. J. MILLER,

City Clerk.

Absent—Ald. Ferguson.

Journal of the last session was approved.

COMMUNICATIONS.

FROM THE CITY ATTORNEY.

ANN ARBOR, MICH., Aug. 6, 1894.

To the Honorable the Common Council of the City of Ann Arbor:

Gentlemen—I hereby respectfully tender my resignation as City Attorney. The attention demanded by other duties that I have assumed renders it necessary that I resign the office that I hold under the city government. Thanking you one and all for the uniform kindness and courtesy that has been extended me, and requesting the immediate acceptance of my resignation. I remain,

Very truly, T. A. BOGLE.

Received and filed.

To the Common Council City of Ann Arbor, Mich.

Gentlemen:—I have been informed that a sidewalk is ordered to be built on the south side of Hill St., between Tappan and Thayer Sts., in front of lots 1 and 24 in Tappan Park. As the agent of the owner of this land I request you to cancel this order, on the ground that this walk is not needed, as may be readily seen by going upon the ground.

I expect to build a walk on Tappan St., in front of lots 1 2 and 3, in Tappan Park, where no walk is ordered, but needed to accommodate travel, and to bring said walk round on to Hill St., to meet a cross walk on the east side of Ingalls St.

Respectfully,

J. B. DAVIS,
Agent.

Ald. Manly moved that the Street Commissioner cause said walks to be built as ordered by this Council.

Adopted.

FROM THE BOARD OF PUBLIC WORKS.

To the Common Council:

Gentlemen,—The Board of Public Works, to whom was referred the matter of surface drainage on East University avenue, would report that the Board caused the City Engineer to make profiles of street center and gutters on parts of Church and Willard streets and East University avenue, which profiles and report of the estimated cost, for grading said street.

of the City Engineer is hereby respectfully submitted as a part of this report.

Respectfully submitted,
W. J. MILLER, Clerk.

ANN ARBOR, Aug. 1, 1894.

To the Board of Public Works:

I herewith submit the profiles of street center and gutters on parts of Church, Willard, and E. University avenue relative to the surface drainage of E. University avenue at the head of Monroe street. There is about 2,200 yards of earth to be moved and I think that an appropriation of \$450 will be sufficient to put the street mentioned in proper condition.

Respectfully,

GEO. F. KEY, City Eng.

Referred to the committee on streets.

PRESENTATION OF PETITIONS.

Of Ernest Rehberg and sixteen others, on the Broadway lateral sewer district, asking for a sewer to be ordered constructed, from the intersection of the main sewer on Broadway and Wall street, extending north-easterly to point as located on sewer map.

Referred to Committee on sewers.

A petition signed by Mrs. Emma Otis, asking the Council not to order a walk built along her property on the south side of Benjamin street.

Referred to the Committee on Side-walk.

A petition signed by Mrs. Martha E. Wells and fifteen other residents and property owners of the Sixth ward, asking the council to order the City Engineer to modify the proposed side-walk grade on South State street along the east side, from Monroe to Hill street.

Referred to the Board of Public Works.

FROM THE SEWER COMMITTEE.

To the Common Council:

Your Committee on Sewers to whom was referred the report of City Engineer, relative to the construction of a lateral sewer on, and along Liberty street, beg leave to submit the following report:

We have gone over and inspected the route of the proposed lateral, and the lateral sewer district indicated in such report of the City Engineer and have heard all persons appearing and desiring to be heard in relation to the matter, and we are of the opinion that a lateral sewer on Liberty street east from the main sewer is a necessary public improvement and that the same ought to be constructed, commencing at the main sewer and running easterly along Liberty street to the west line of the lots fronting on State street.

We have also duly considered the estimates of the City Engineer for the construction of such proposed improvement, and approve the same. We also approve the boundaries of the lateral sewer district indicated in such report.

Your committee would therefore recommend that the said lateral sewer be ordered constructed, and herewith submit the necessary resolution and order therefor.

All of which is respectfully submitted.

ARTHUR J. KITSON,
C. H. MANLY,
FRANK WOOD,
CHRIST. MARTIN,
P. L. BODMER,
H. J. BROWN,

Sewer Committee.

Accepted, and leave being granted the following resolution was offered:

LATERAL SEWER DISTRICT.

Resolution and order for the construction of a lateral sewer in and along Liberty street easterly from the main sewer,

By Alderman Kitson:

Resolved, That the construction of a lateral sewer in and along Liberty street easterly from the main sewer is deemed and hereby declared to be a necessary public improvement.

THEREFORE, the Board of Public Works is hereby ordered and directed to cause such lateral sewer to be constructed according to the ordinance in such case made and provided.

Resolved further, That the district to be assessed and charged with the cost and expense of such lateral sewer, be and the same is hereby determined and fixed as follows: All lands lots and parts of lots contained in the following list, the said lands, lots and parts of lots being all the constituent parts of such district or territory which may and shall be rightfully connected with the Liberty street lateral sewer east of the main sewer laid out in and upon the streets or allies on which the lands, lots and parts of lots embraced in said list have a frontage. These lands, lots and parts of lots being marked on the map of Sewer District No. 1, on file in the Engineer's office.
