Report of City Attorney on Smoke Nuisance.

In the matter of the petition of Dr. V. C. Vaughan and others referred to me at your meeting of December 21st, I report as follows:

I find that the "Courts do not hesitate to declare smoke a nuisance when it permeates the atmosphere in unreasonably dense volumes, or is for any reason so carelessly or unskillfully disposed of as to produce an interruption of the comfortable enjoyment of life." And "if one sort of fuel will produce a smoke less obnoxious than any other sort, it is the duty of the owner of the building to use the least troublesome."

There is no doubt that a property owner may enjoin the issuing of smoke from a chimney if it is made to appear that it is a nuisance and produces injury to his property, health or comfort. Or he may bring an action against the party responsible for the nuisance for damages to his buildings, furniture, goods, clothes, etc.

Many cities have smoke ordinances prohibiting the use of soft coal in resident districts. I do not think our charter broad enough to cover this matter, unless it might be said to come within the police power.

The petitioners certainly have cause to complain. Mr. Groves says, however, that he is not the only party in that vicinity that burns soft coal. That he bought a car load in good faith—with no thought that it would cause his neighbors damage, discomfort or annoyance, and that the same is nearly consumed. He has entered into a contract with Koch Brothers to raise the chimney on his building which will materially lessen the smoke nuisance, to the petitoners.

Under our charter I do not think the City has power to restrain or regulate smoke nuisance, but I have no doubt about the right of a property owner to abate the nuisance by injunction or he may recover damages against the party responsible for it.

Respectfully submitted.

THOS. D. KEARNEY, City Attorney.

Received and ordered on file.

Ald. Douglas presented the matter of properly entertaining the members of the League of Municipalities. Ald. Schlenker moved that a sum not to exceed two hundred and fifty dollars be appropriated for the above named purpose, and that the committee heretofore appointed to make arrangements for the coming meeting of the League be given full power to act in the matter.

Adopted as follows:

Yeas—Ald. Douglas, Schlenker, Hutzel, Kearns, Miller, Johnson, Bangs, Goodyear, Fischer, Robinson, Pres. Walz.—11.

Nays--None.
