Ann Arbor, Mich., June 20, 1906.

To the Honorable, the Mayor and Common Council of the City of Ann Arbor:
Gentlemen—The Ann Arbor Trades

and Labor council do hereby request this honorable body to reconsider their action, taken at your last regular meeting, June 18th, on the matter of a street fair. Our grounds for above request are that the Ann Arbor Trades and Labor council desire to offer a different proposition, which we are led to believe would meet with approval of your body. Appended will find a definite diagram of streets desired, surmounting the objections that might possibly arise against the use of Main street, by taking some of the side streets. We remain,

Yours respectfully,
The Ann Arbor Trades and
Labor Council.

The president declared any action taken toward giving use of streets for the purpose proposed would be contrary to the ordinances of the city and on motion the council adjourned.

ROSS GRANGER, Clerk.
