#### Communications.

Ann Arbor, Mich., Oct. 27, 1913.

To the Honorable, the Common Council: Gentlemen—Now that the voters of the city have voted to purchase the plant of the Ann Arbor Water company, the next important step is the creation of a commission to operate the plant and the drawing of rules and regulations governing the operation. In this all important matter you should be governed by but one thing and that should be the best interest of the city, regardless of the likes and dislikes of the individual. The question of politics should not enter into the question of the creation of the commission. I believe that it should be as far removed from politics as possible.

Trusting that you will show the good judgment in this most important matter that you have shown in all others, I am,

Very truly yours, R. G. MacKenzie,  
Mayor.

Ordered on file.

Ann Arbor, Mich., Oct. 28, 1913.
