**Ordinance Committee.**

Ald. Reichert presented an ordinance entitled, "An ordinance relative to a sanitary sewer on Boulevard drive.

Whereas, a sanitary sewer has been constructed on Boulevard drive from South State street to the property of the Cook Spring company, and

Whereas, said sewer will be used mostly as a main sewer, owing to the fact that it is the only sewer constructed to serve the property in the vicinity of said Cook Spring company property, and

Whereas, it would be unjust to assess the property liable to an assessment, because of the fact that the sewer so constructed runs along the property owned by the Athletic association of the University of Michigan, which is not subject to an assessment,

Now, therefore, the Common Council of the city of Ann Arbor ordain:

Which was given its first reading by title and referred to Ordinance committee by following vote: Yeas—Ald. Sugden, Slauson, Haarer, Henderson, Lucas, Groves, Donnelly, Moore, Spathelf, Freeman, MacGregor, Reichert, Lutz—13. Nays—None.

**Street Committee.**

To the Honorable the Common Council:

Gentlemen—Your Street committee, to whom the following matters were referred, respectfully recommends:

1. That the Board of Public Works be authorized to replace manhole covers where they deem it advisable.
